

V80

WORKING HARDER EVERY DAY

WORKING HARDER FOR YOU

THE LDV V80 CARGO VAN

No wonder the LDV V80 is one of Europe's most respected vans. Perfect for all your transport needs, the V80 van is designed to carry large loads, while you travel in complete comfort.

With an impressive number of worldwide sales and multiple awards, it's already made its mark.

LDV V80 ACCESS

EASY TO LOAD

The LDV V80 is a large van built to make carrying loads easy. Its wide opening double side-sliding doors make loading safer and faster while the rear barn doors open to 180° for loading with a forklift or at a dock.

LDV also has the added benefit of a low floor clearance delivering increased load capacity as well as easier loading.

LDV V80 SPACE

PLENTY OF ROOM

The large load area of the LDV V80 van offers a substantial 6.4m³ of volume in the BIG model, which extends to a massive 10.4m³ and 11.6m³ on the BIGGER and BIGGEST respectively. Two standard pallets can be carried in the load area of the BIG, with three in the BIGGER and BIGGEST courtesy of the 1,380mm width between the wheel arches.

The LDV doesn't ease off when it comes to payload with up to 1,204kg* in the BIG, 1,419kg* in the BIGGER and 1,389kg* in the BIGGEST. There's also the added benefit of recessed load tie down points and a cargo mat.

LDV V80

INTERIOR DIMENSIONS

BIG

Cargo Area (in mm):
2550(L) x 1800(W) x 1400(H)
Cargo Volume of 6.4m³

Cargo Volume of 10.4m³

BIGGEST

Cargo Area (in mm):
3300(L) x 1800(W) x 1957(H)
Cargo Volume of 11.6m³

LDV V80

PERFORMANCE

POWERFUL DIESEL ENGINE

The LDV V80 runs on an advanced, economical 2.5-litre turbo-diesel engine designed by the Italian company VM Motori.

The Bosch electronically controlled, common rail, direct fuel injected, intercooled engine supplies 100Kw @ 3800rpm and 330Nm of torque. The engine is mounted transversely on the frame and provides the vehicle's front wheel drive. The engine employs a common rail fuel injection system for improved combustion efficiency, as well as low fuel consumption and low emissions.

100Kw power and
330Nm torque

Low emissions

Low fuel consumption

LDV V80

FEATURES

All LDV Vans come with remote central locking. One button unlocking all doors, another only the rear barn doors.

Air conditioned cabin

Cruise control

LED daytime running lights

COMFORT AND EFFICIENCY

The V80 gives you more, combining efficiency and comfort as only European designed vans can. It comes complete with an air conditioned cabin, three seats, cruise control for those long journeys, audio with radio and MP3 connectivity, 8-way adjustable driver's seat and power windows.

16" alloy wheels give it a smarter look, rear parking sensors make it easy to get in and out of those tight spots and large vibration-free power side mirrors make for greater viewing with the added benefit of mirror integrated indicators.

And when it comes to visibility, LDV's front fog and daytime running lights ensure you are seen in any light.

SAFETY AND SECURITY

LDV V80 is constructed of a strong, energy-absorbing unibody made of high tensile yet lightweight materials to provide added safety without compromising fuel efficiency.

Standard safety equipment includes dual airbags, rear parking sensors and four wheel disc brakes with ABS (Anti-skid Braking System), ESC (Electronic Stability Control) and BAS (Brake Assist System).

LDV V80
RANGE

 All LDV Vans come with a standard 6 speed manual transmission or an optional 6 speed automatic (AMT).

BIG

There's a short wheel base for when you don't need additional load capacity, but with a cargo volume of 6.4m³ and a payload of 1,204kg it's certainly capable of meeting most needs.

Cargo Area (in mm): 2550(L) x 1800(W) x 1400(H)

BIGGER

If you need additional length and height there is the long wheel base mid roof van holding 10.4m³ and 1,419kg.

Cargo Area (in mm): 3300(L) x 1800(W) x 1750(H)

BIGGEST

And if you need to maximise height the long wheel base is also available in a high roof model, which takes the cargo volume up to 11.6m³.

Cargo Area (in mm): 3300(L) x 1800(W) x 1957(H)

CAB/CHASSIS

Our V80 Cab/Chassis platform is the most cost effective on the market. Built specifically to suit custom built camper van bodies or add a galvanised deck.

Dimensions (in mm): 5620(L) x 2383(W) x 2136(H)

LDV V80 ABOUT LDV

LDV (formerly known as Leyland-DAF Vehicles) is now part of the Chinese state owned SAIC Motor Group. SAIC Motor is the largest automaker in China and one of the largest vehicle manufactures in the world, having partnerships with several Western brands including General Motors, Volkswagen and Iveco. With US\$106.7 billion in revenue, SAIC climbed to number 46 on the Global Fortune 500 list of companies in 2016. Aside from producing components like engines, gearboxes, and powertrains, the company also covers the research, production and vehicle sales of both passenger and commercial vehicles. LDV is represented in New Zealand by Great Lake Motor Distributors Ltd, a 100% Kiwi owned company which also distributes the Korean marque SsangYong.

Through a spirit of independent innovation and focus on consumer and environmental demands, the SAIC Group is now Forbes magazine's 10th most powerful automotive company in the world.

LDV

LDV is one of Europe's most recognised commercial vehicle brands. Not only has LDV had sales success as a cargo and passenger van, it has been selected by the British government for use by the Royal Bank, Royal Mail and as travel vehicles for the British Royal family. It is also the recipient of numerous international awards.

FINANCE OPTIONS

LDV Finance provides financial solutions designed to provide flexibility, ease and peace of mind. So from the start of your journey with us, you'll remain firmly and comfortably in the driver's seat of the financial arrangement you choose for your new vehicle.

For the complete range of vehicle finance solutions visit your nearest LDV dealer.

WARRANTY

The LDV gets a big tick for peace of mind with the reassurance of a comprehensive factory backed 3 year/100,000km* warranty.

* Whichever occurs first.

ACCESSORIES

There is a full range of accessories available for the LDV. For more information, ask your nearest LDV Dealer or go to ldv.co.nz

REPUTATION

LDV is one of Europe's most recognised commercial vehicle brands. Not only has LDV had sales success as a cargo and passenger van, it has also been selected by some of Europe's most respected fleets and is the recipient of numerous awards.

LDV is now a division of SAIC, a Fortune Global 500 company, which sold over 5 million vehicles in 2014 making it the largest automotive manufacturer in China.

LDV DEALERS

LDV owners have the backing of our nationwide dealer network, which provides comprehensive sales, service and parts back up wherever you may be. To find your nearest LDV dealer just go to ldv.co.nz

ROADSIDE ASSISTANCE

All LDV V80s come with LDV Roadside Assist. In the event that your vehicle is immobilised, you can rest assured that LDV Roadside Assist will help you to continue your journey with the minimum of inconvenience.

LDV Roadside Assist supports you and your vehicle for the period of your manufacturer's warranty, 24 hours a day, 7 days a week, 365 days a year.
